ARCHPOT OPTIONAL IGNITION SYSTEMS

Electronic Ignition System Options:

WiFi or Bluetooth Remote Control • Commercial Timer/Shutoff • Emergency Shutoff Switch • Utility Post

12V AC - ARCH FIRE CONTROL SYSTEM

UTILITY POST

(SHOWN WITH OPTIONAL TIMER AND EMERGENCY SHUTOFF SWITCH)

24V AC - ALL WEATHER ELECTRONIC IGNITION SYSTEM

30V DC - ALL WEATHER ELECTRONIC IGNITION SYSTEM

FOR FIRE FEATURES WITHIN 5 FT. OF SWIMMING POOL

The Battery Powered Electronic Ignition System was developed for use in portable Fire Pits and Fire Tables. With this system and a portable LP gas tank, you no longer need to invest in expensive gas lines and electrical wiring. After installed, a simple flip of a switch and your fire feature will ignite itself, monitor the flame and relight itself if ever the flame goes out.

BATTERY POWERED ELECTRONIC IGNITION SYSTEM

TERMS AND CONDITIONS

1. Prices are subject to change without notice. All dimensions shown in this catalog are approximates.
2. All orders require a 50% deposit, balance paid in full before shipment, including freight and handling charges. Once production has started, deposit is non refundable.
3. All orders are shipped FOB Corona, CA. Freight collect or third party billing allowed. ARCHPOT provides local delivery service at rates based on the size of the order and the distance.
4. ARCHPOT assumes no risk or damage incurred in transit, except orders delivered locally by ARCHPOT's delivery service. All items are shipped at purchaser's risk. Any claims for loss or damage sustained in transit must be filed with carrier immediately.
5. ARCHPOT warrants its products, when purchased new, to be free from defects in materials and workmanship under normal use and service for one year from the original date of purchase. Replacement or repair at the option of ARCHPOT of defective parts shall be the sole remedy of this warranty.
6. All sales are final. No refunds. Exchanges for equal value or higher with prior approval. A restocking charge will apply.
7. All sales are made pursuant to these conditions and orders are received with the understanding that they are placed under these conditions.

ARCHPOT is the contemporary fire vessel company offering you the complete modern solution for burner system technology. For over three decades the company has been creating large scale architecturally inspired handcrafted planters and site furnishing made in the USA.

Pictured above is the Midway Rectangle Low Fire Table with its contemporary style and convenient tabletop design. The Geo Round Fire Water Bowl, providing light, heat and the relaxing sound of water. The Geo Square Tall Planter, a modern statement piece and the finishing touch to your design.

Crafted in GFRC, every ARCHPOT is created to ensure high quality and functionality. Key Products include Fire Tables, Fire Bowls, Fire Water

Bowls, Water Bowls, Planter Water Bowls, Planters, Recycle Systems, Furniture and more. Choose from a selection of beautiful Finishes and Fire Glass or Tumbled Lava Rock are available for Fire Features.

The optional ARCH Fire Control System is an All Weather Electronic Ignitions Systems that can be operated remotely. ARCHPOT is an Authorized Dealer for The CROSSFIRE® Brass Burner by Warming Trends®. This distinctive fire pit burner uses technology to produce taller, fuller flames that resemble a wood burning fire.

ARCHPOT enjoys working with Architects, Builders, Contractors and Designers to bring creative visions to life. Custom Services such as Design, Fabrication, Production, Finishes and

Burner Systems can be arranged.

With their expanded manufacturing facility, ARCHPOT is able to handle the most demanding residential and commercial installations. The company's work can be seen on projects by some well-known clients including The Ritz Carlton, The Irvine Company, Hotel Del Coronado, Arizona Biltmore, Hilton and Marriott to name a few.
